

STUDENT CREED

I am An Imagine Hope Lamond Scholar

I arrive everyday ready to do my best.

I am on time. I am prepared.

I am excited to learn and grow.

I strive to demonstrate responsibility and respect in my everyday actions and interactions, and be a decent human being towards my friends, family, and the new people I meet.

I have high expectations of myself.

I am the change that will make this world a better place.

At this time and in this place,

I am choosing to learn and be my best self.

It is my mission in life to be a leader
and a beacon of light for all to see.

I am unique. I am smart.

I am an example worth following.

I Am A Hope Husky!
